ART GALLERY & LUNCH TRIP

Thursday, November 14, 2024

Van departs from the Fessenden Center at 9 a.m.

Join us for a day exploring the SeaGreen Gallery and Garden in Nags Head. This gallery features artwork of repurposed items, and they have created an oasis in their backyard of the gallery as well. Upon stepping onto the boardwalk, there is a claw foot bathtub, and the tub overflows, creating a stream that runs the length of the workshop wall. There are mosaic bridges, driftwood waves, a mosaic cement wave, and flora and fauna—including lots of koi, goldfish and tiny anoles in the winding streams.

We will stop at Kill Devil Grill for lunch on the way home. Everyone will pay their own way for the day. There is a minimum of 6 participants and maximum of 10 participants for this trip. Pre-registration is required.
