County of Dare

P.O. Box 1000 | Manteo, North Carolina 27954 | 252.475.5000

Note: The 2020 Budget was adopted by the Board on June 3, 2019.

May 20, 2019

TO THE DARE COUNTY BOARD OF COMMISSIONERS

It is my pleasure to present the recommended Dare County budget for fiscal year 2019-2020 in the amount of \$168,817,454, with the General Fund at \$108,729,619 of that amount. The General Fund budget is lower than the two prior years due to implementation of the Capital Investment Fund as discussed below. The budget is balanced and in compliance with the North Carolina Local Government Budget and Fiscal Control Act and aligned with the priorities and direction given by the Board of Commissioners.

The purpose of the County's annual budget process is to develop a fiscally responsible plan that enables the County to accomplish priorities established by the Board. At a March retreat the Board provided the following strategic focus areas:

- Long Term Financial Planning for Capital
 - Expand capital planning and stabilize available funding through the establishment of a Capital Investment Fund and a long term capital planning and debt affordability model.
- Economic Development
 - Continue Beach Nourishment efforts, address the demand for future projects, and determine project prioritization criteria.
 - Continue the economic development partnership with the Outer Banks Chamber of Commerce.
 - Continue efforts towards affordable and workforce housing through zoning and planning changes.
- Education
 - Continue partnership with Dare County Schools using an agreed upon formula for local current expense and the Capital Investment Fund to adequately address future capital needs.
 - Expand the College of the Albemarle Dare County Campus though a new capital project and the establishment of a local scholarship fund.
- Human Resources
 - Continue to follow the recommendations of the Salary Study which was implemented in 2018 and 2019, including a 1.2% cost of living pay adjustment.
- Maintain all current levels of services

FISCAL YEAR 2019-2020 BUDGET

The recommended budget includes no property tax increase, preserves high quality service delivery to citizens, property owners, and visitors, and meets as many goals of the Board as funding allows.

Comparison of the totals to those of the prior year require adjustment due to the creation of the Capital Investment Fund and other changes. In the [Information Section](#), see the *Comparison of 2019 to 2020 Budgets and Fund Structure*. Comparisons of each department's total budget must also take into consideration debt service and capital outlay changes made for the Capital Investment Fund. After those adjustments the total budget increase is 2.16% and the General Fund budget increase is 1.95%.

The following Table shows the Original 2018 budget, the Original 2019 Budget, the Requested 2020 budget, the Manager's 2020 budget, and the Adopted 2020 budget.

FISCAL YEAR 2019-2020 GENERAL FUND BUDGET

REQUESTED BUDGET

After budget requests were submitted by departments and outside agencies, the requested expenditures exceeded projected revenues creating a General Fund budget deficit of \$4,588,452. The County's Health Plan having a zero percent projected increase for 2020 (each 1% increase in the Health Plan would have cost \$87,014) and the end of a five year \$500,000 per year appropriation for Dare County Schools to catch up on deferred maintenance projects prevented this deficit from being larger.

Driving factors of the requested deficit were:

- A \$1,361,322 requested increase for Emergency Medical Services.
- A cost of \$883,739 to maintain investment in capital at the same level as 2019.
- A \$697,447 increase in local current expense funding for the Dare County Schools per the funding formula.
- A \$614,600 requested increase for Information Technology.
- A \$478,754 requested increase for a 1.2% cost of living pay adjustment based upon the January CPI-S for full-time employees and paid Boards.
- A \$450,000 requested increase to continue the merit pay plan.
- A \$308,620 requested increase to reinstate an employer 401k contribution at 1%.
- A \$293,430 requested increase for the College of the Albemarle.
- A \$280,373 requested increase for Facilities Maintenance.
- A \$224,795 requested increase for Elections.

MANAGER'S RECOMMENDED BUDGET

Details of the Manager's recommendations are found on the following pages. The following expenditure changes make up 96% of the General Fund adjusted increase of \$2,200,296.

 - \$463,945 for salaries and fringes due to retirements and turnover.
 - \$99,627 for various operating line items after review of historical actuals.
- Increases of:
 - \$883,739 to maintain net capital funding (capital outlay and debt service) at 2019 levels.

 - \$478,000 for a 1.2% cost of living pay adjustment for all full-time employees and paid Boards.
 - \$474,100 for Information Technology including a restart of personal computer replacements due to abandonment of desktop virtualization.
 - \$450,000 for continuation of the merit pay plan as recommended by the Salary Study implemented in 2018 and 2019.

 - \$131,305 for Revaluation for costs of a county-wide property revaluation performed in-house that will be effective for property values as of January 1, 2020.

- \$125,514 for Grants & Waterways including a new project manager position and \$50,000 for maintenance of public access boat ramps.
- \$122,514 for Register of Deeds including \$116,900 to digitize paper records dating back to 1976.
- \$107,907 for the cost of various insurance.
- \$100,000 additional funds transferred to the Inlet Maintenance Fund for Hatteras Inlet.

The amounts above reflect changes within each department or category for specific items and do not address the changes in department total budget amounts resulting from implementation of the Capital Investment Fund. Please see that discussion which follows the General Fund section.

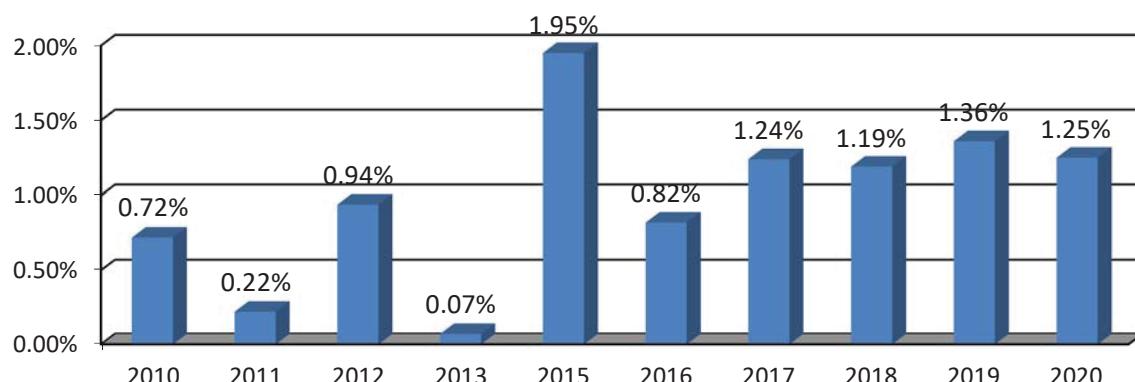

Revenues

Current Year Revenue Projections:

Sales (article 39 and 42) and Occupancy taxes were negatively affected by emergency evacuations for Hurricane Florence during 2019.

- ✚ *Property Tax:* The tax base for 2019 grew at 1.36%, slightly higher than growth used for the 2019 budget at 1.25%. Projected revenue is \$63,362,710 which is \$276,454 over budget due to greater tax base growth and increased vehicle values.
- ✚ *Sales Taxes:* Projected 2019 actuals are \$114,254 under budget. Growth rates used for the 2019 budget versus projected sales tax growth rates for 2019, along with projected 2019 performance versus the budget are:
 - Article 39: 3.0% budget / 1.38% projected; (\$84,661) under.
 - Article 40: 3.5% budget / 4.58% projected; \$45,443 over.
 - Article 42: 3.25% budget / 1.38% projected; (\$75,036) under.
- ✚ *Occupancy Tax:* Occupancy tax is projected to be \$59,600 under budget for 2019. The 2019 budget used a growth rate of 2.5% and the projected 2019 change is a decrease of 1.39% which will be \$59,600 under budget.

% Growth of Tax Base

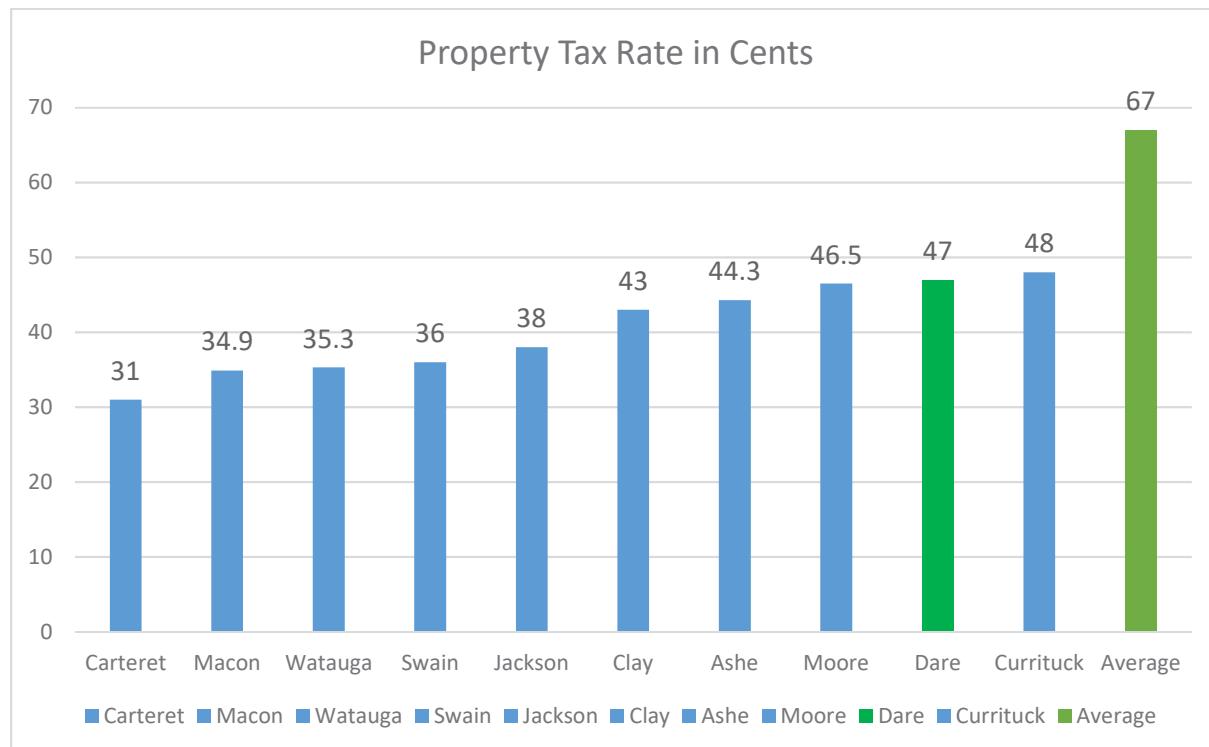

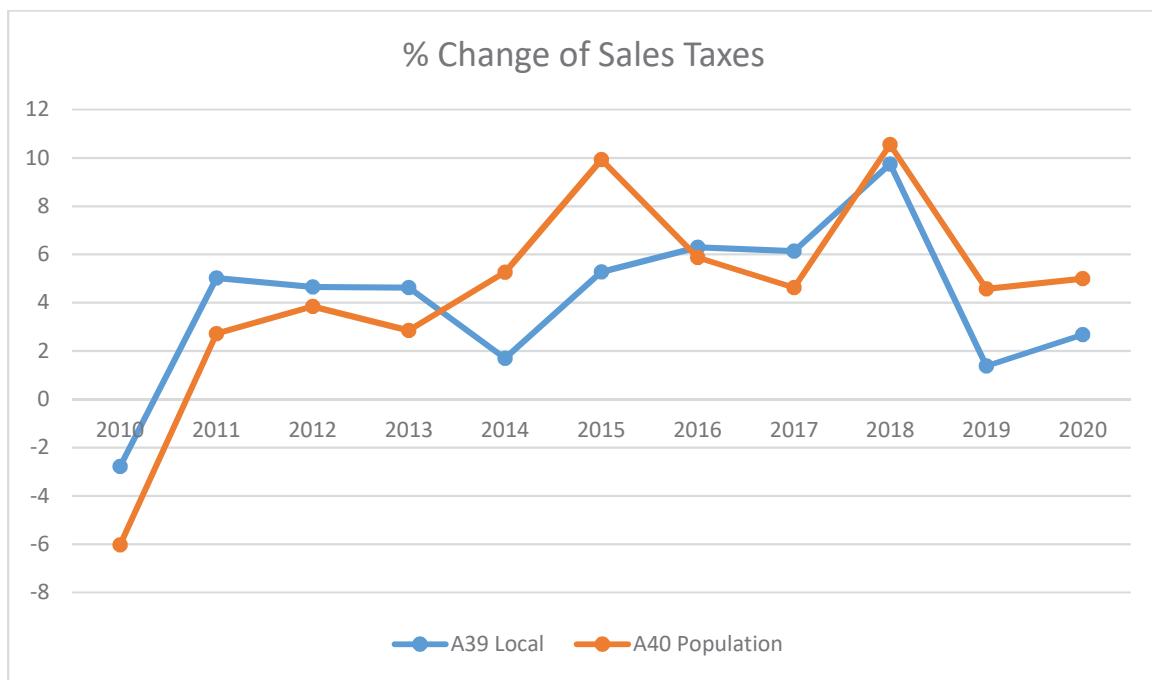

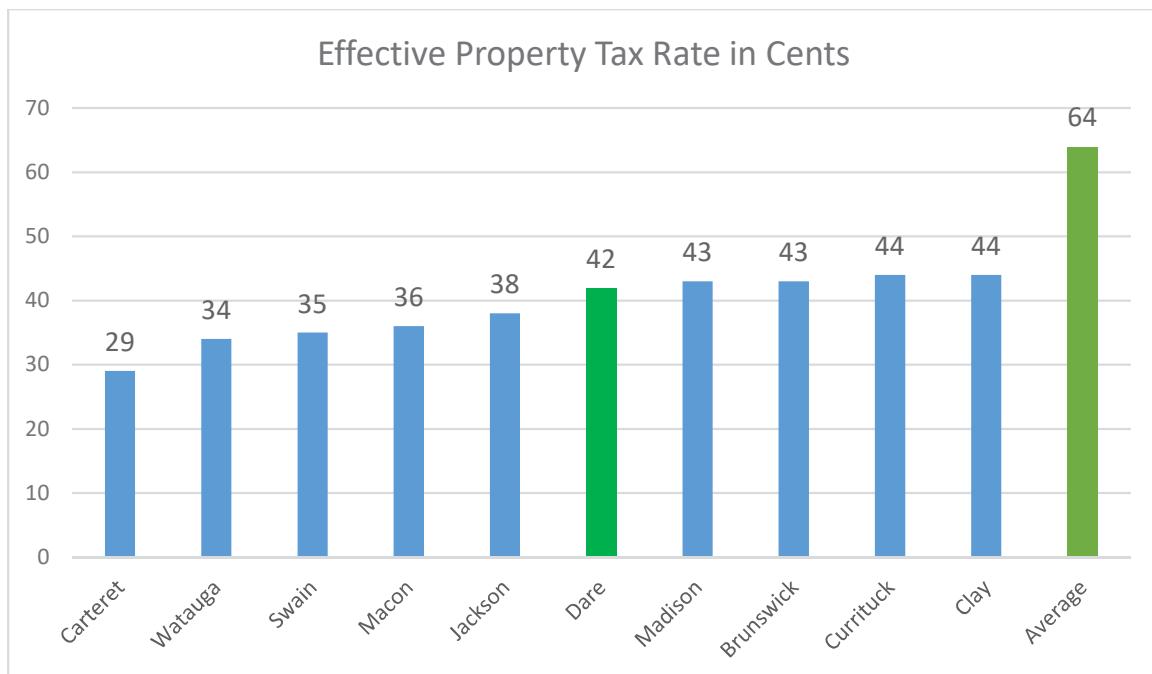

2014 was a revaluation year.

Revenue Assumptions for 2020

- **Property Tax:** The property tax rate is unchanged at 47 cents. Tax base growth is budgeted at 1.25% with a collection percentage of 99.49%, up from the prior year's 99.22%.
- **Sales Taxes:** Growth rates over the projected 2019 actuals are 2.68% for Article 39, 5.0% for Article 40, and 2.96% for Article 42. Those result in only \$431,965 of additional revenue over the 2019 budget (2.08%) due to the 2019 performance discussed above.
- **Occupancy Tax:** 2020 is budgeted at 2.5% over 2019 projected actual and 1.64% over the 2019 budget resulting in additional budget revenue of only \$77,900.

The average county property tax rate in North Carolina for 2019 was 67.35 cents with a low of 31 cents and a high of \$1.00. Dare County, at 47 cents, was the 9th lowest property tax rate. The effective tax rate is adjusted for the sales to assessment ratio for each County. That measure equalizes rates for differences in timing of revaluations of property and is based upon an annual NC Department of Revenue sample of property sales. Dare's sales to assessment ratio for January of 2019 was 88.93% (tax values averaged 88.93% of sampled actual property sale prices). Dare's effective tax rate for 2019 was 41.80 cents, which ranked as the 6th lowest. The average was 64.34 cents with a low of 29.05 cents and a high of \$1.0442.

Fund Balance Appropriation and Projected 2019 Fund Balance

2020 appropriated fund balance of \$2,174,835 for recurring expenditures is within the Board adopted policy of 3% or less of expenditures.

2019 ending fund balance is projected to increase by only \$540,000 to a total of \$40,617,000. 2019 unassigned fund balance is projected to be \$25,167,000, or 22.44% of current year expenditures, down from 23.77% and above the Board policy of 19-21%. (See *General Fund Balance* in the [Information](#)

[Section.](#)) The Board's policy for unassigned and total fund balance of the General Fund is being evaluated as a part of consulting work being performed by the County's financial advisor in conjunction with the Capital Investment Fund and policy recommendations will be forthcoming.

Expenditures

Personnel

Health Plan

The Health Plan has no projected increase for 2020, a significant occurrence since each 1% increase would have cost \$87,014. 2020 also has the benefit of a reduction of \$508,830 for one-time specific stop loss funding required in 2019. The County continues to promote its wellness program and has expanded hours and coverage for its partnership with the Outer Banks Hospital for the employee Wellness and Health Clinic.

No changes are made to the Health Plan structure, co-pays and deductibles. Employees will continue to have dual plan options, choosing between the traditional plan or a high deductible Health Savings Account Plan with the first \$750 of costs funded by the plan.

Position Changes

8.75 new positions, reclassification and movement of 3 positions, and elimination of 3 positions are recommended. New positions include 2 Sheriff deputies, 3 paramedics, and a physical therapist. Positions eliminated are a recycling equipment operator, a dentist, and a dental assistant. (See *Position Changes* in the [Information Section](#) for all position changes.)

Employee Compensation

The Board implemented a Salary Study prepared by Springstead during 2018 and 2019. 2020 continues the recommendations of that study by including \$450,000 for the merit pay plan implemented in 2018. Recommended 2020 adds, per the study recommendations, \$478,000 for a 1.2% cost of living pay adjustment based upon the January CPI-South.

Capital

Of the \$2,416,234 requested capital outlay, \$2,195,723 is recommended. \$1,497,384 of that amount are vehicle replacements which will be financed. (See *Capital Outlay* in the [Information Section](#).) Significant items are:

- ⊕ \$170,000 for Information Technology for licenses, fiber switches, servers, routers, and UPS.
- ⊕ \$102,771 for Facilities Maintenance for a vehicle replacement, replacement and standardization of building locks, and conversion of light fixtures to LED in the Justice Center and Administration buildings.
- ⊕ \$456,590 for the Sheriff Department for 12 vehicle replacements, security fencing around the rear of the Justice Center, and 2 in-car video systems.
- ⊕ \$779,300 for EMS for 3 ambulance replacements upgrading to four wheel drive for the new vehicles.
- ⊕ \$72,000 for Social Services for 4 replacement vehicles.
- ⊕ \$61,040 for Parks & Recreation for a replacement vehicle and two divider curtain replacements.
- ⊕ \$300,000 for Dare County Schools for local capital outlay.
- ⊕ \$58,500 for Mosquito Control for a replacement vehicle and parking lot re-establishment.

Insurance

Increases of \$107,907 across applicable departments for various insurance policy rate increases are included.

Dare County Schools

The budget includes an increase in local current expense funding to the Board of Education of \$697,447 over 2019. That amount uses the State's anticipated 2020 pay scale and is calculated using the school funding formula agreed upon in 2016.

Local funding for school operating costs increases to \$24,476,088, which is composed of:

- \$23,230,449 for local current expense; and
- \$1,245,639 for County-employed school nurses and school resource officers.
- The five year annual appropriation of \$500,000 for deferred maintenance catch-up ended with 2019.

Pupil enrollments and projections are:

NCDPI projection for fall of 2018	5,322
Actual ADM for fall of 2018	5,158
NCDPI projection for fall of 2019	5,172

For the last eleven years, 2010 through 2020, local current expense funding, excluding school nurses and resource officers and the five year annual deferred maintenance funding in 2015 through 2019, has increased 28.23%, from \$18,115,220 to \$23,230,449. CAPITAL INVESTMENT FUND

The recommended 2020 budget includes a significant change in budget structure by implementing a Capital Investment Fund as was presented at the March Board retreat. The Capital Investment Fund is a separately budgeted part of the General Fund. For financial reporting purposes the Capital Investment Fund will be consolidated into the General Fund in the CAFR/Audit report as will the Disaster Recovery and LEOSSA Funds. See *Fund Structure* in the [Information Section](#) for a further explanation of fund organization.

In conjunction with the establishment of the Capital Investment Fund, the County and its financial advisor, DEC & Associates, are developing a Capital Planning & Debt Affordability Model.

The Capital Planning & Debt Affordability Model will:

- Provide a road map for future debt and capital capacity.
- Create a proactive approach in considering the feasibility of new projects.
- Provide financial flexibility and an evaluation tool for funding level and project or program funding decisions.
- Create a tool to prioritize projects in a systematic manner.
- Enhance the County's financial position and address credit rating agency criteria.

Use of a Capital Investment Fund also separates budgeting for operations from that for capital. With 2020, the General Fund (fund #10) budgets for operations with a capital contribution fixed at the 2019 level of net cost for debt service and capital outlay. With 2020, the Capital Investment Fund (fund #11) budgets for debt service, capital outlay, and the County's Capital Improvements Plan – previously budgeted in the Capital Reserve (special revenue) Fund (fund #27).

The General Fund's contribution to the Capital Investment Fund is set at the 2019 net General Fund cost for debt service and capital outlays as shown in the following table.

2019 Amounts	
Debt service	\$16,967,203
Capital outlay not debt or grant financed	\$253,428
<u>Less related revenues:</u>	
Transfers from Capital Reserve for debt service support	(\$2,083,473)
Restricted sales tax – Article 42 - 60% restricted	(\$3,557,824)
Restricted sales tax – Article 40 - 30% restricted	(\$853,061)
Lottery Money – fully restricted	<u>(\$300,000)</u>
Transfer to Capital Investment Fund	\$10,426,273

The structure of the Capital Investment Fund ("CIF") is per the below, from the Board retreat presentation by DEC & Associates.

MECHANICS OF CIF DEBT MODEL

DEC Department of Economic Development

12

CIF revenues previously budgeted in the General Fund are:

- Restricted portion of the Article 42 sales tax,
 - 60% restricted for school capital or debt service;
- Restricted portion of the Article 40 sales tax,
 - 30% restricted for school capital or debt service;
- Lottery Money,
 - All restricted for school capital or debt service.

CIF revenue previously budgeted in the Capital Reserve Fund is:

- County share of the local land transfer tax which is all restricted for capital or debt service.

CIF expenditures previously budgeted in the General Fund are:

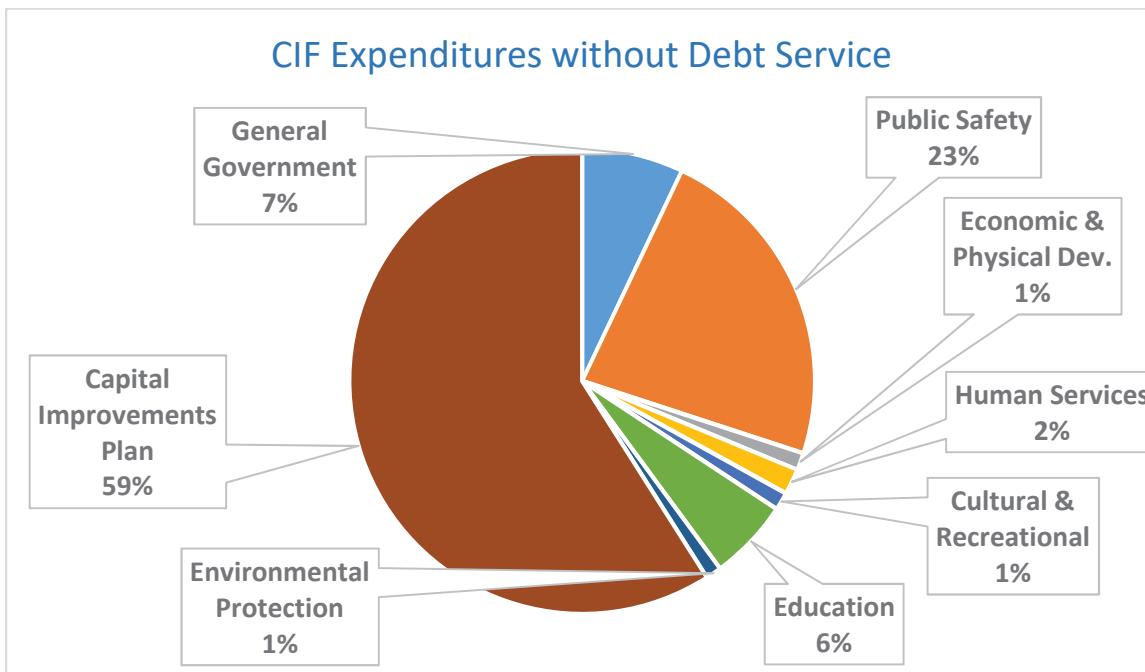

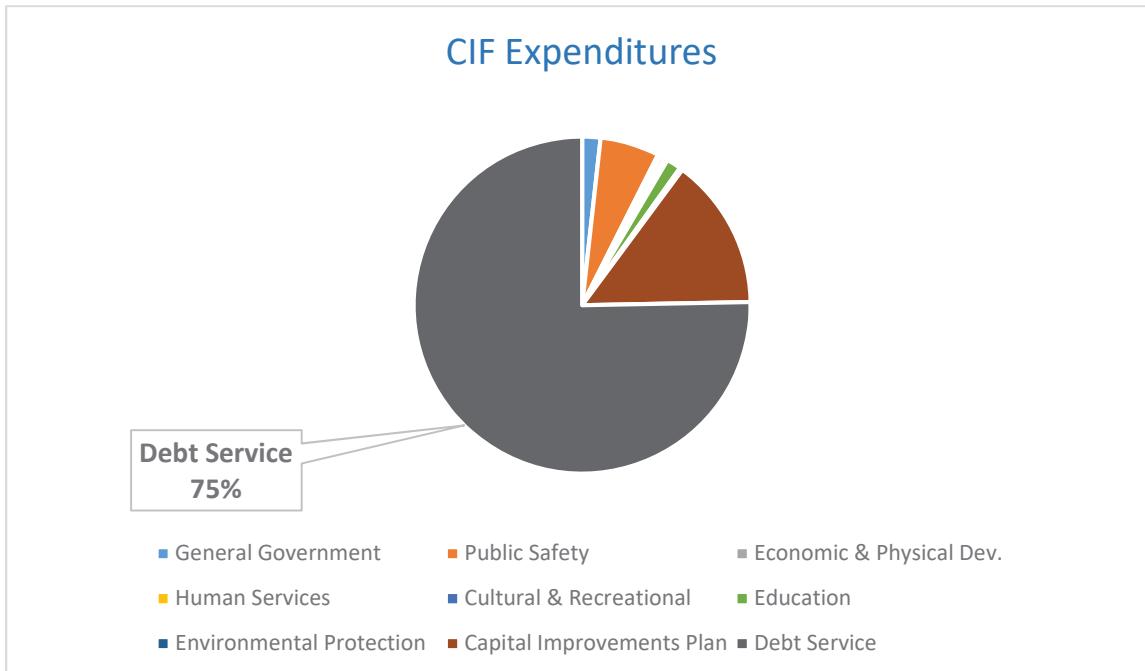

- Debt service,
- Capital outlay not funded by a grant.

CIF expenditures previously budgeted in the Capital Reserve Fund are:

- Capital Improvements Plan including the Dare County Schools Capital Improvements Plan.

For detail of the changes for all affected account numbers see *Account Crosswalks* in Appendix B.

The 2020 CIF budget includes the previously discussed capital outlays from the General Fund and all General Fund debt service. It provides \$3,142,436 for the Capital Improvements Plan in 2020 after the Manager's recommended paygo and financed capital outlays. The planned year of 2020 in the 2019 Capital Improvements Plan called for \$3,091,631 of expenditures.

Model development is in progress and is expected to be ready for presentation to the Capital Improvements Planning Committee in June and then to the Board. The model will include the 2020 – 2024 Capital Improvements Plan requests and will add three new plans for major items: a roof replacement plan, a heating and air conditioning replacement plan, and a major maintenance plan for the Dare Medflight Airbus helicopter.

OTHER FUNDS

DISASTER RECOVERY FUND (fund #12)

Beginning with 2020, the Disaster Recovery Fund is a separately budgeted part of the General Fund. It budgets for software disaster recovery services and \$100,000 for the initial responses to any emergency. The fund was previously a special revenue fund and is changed due to an accounting standard that requires the fund to be consolidated into the General Fund for financial reporting purposes.

LAW ENFORCEMENT OFFICER'S SPECIAL SEPARATION ALLOWANCE ("LEOSSA") (fund #13)

The LEOSSA Fund is a state mandated pension fund for qualifying retired law enforcement officers. The fund was previously an unbudgeted trust fund and is changed due to an accounting standard that requires the fund to be consolidated into the General Fund for financial reporting purposes.

E911 FUND (fund #21)

Staff has confirmed with the NC E911 Board that State funding for 2020 will be zero. After the Regional Emergency Communications Center became operational, the E911 fund balances of Tyrrell and Hyde counties were transferred to Dare. E911 fund balance at the end of 2019 is projected to be \$914,000 or 181% of expenditures. 2020 State revenue of zero will spend down the fund balance with 2020 ending fund balance projected to be \$341,000. State E911 Board staff have confirmed to the County that State funding will resume with 2021 and will do so at a level based upon consolidated operations and not the usual 5 year average of expenditures which would not reflect consolidated costs.

BEACH NOURISHMENT FUND (fund #22)

The Beach Nourishment Fund budget is set per the Beach Nourishment Financial Model. 2020 includes \$144,000 for sand fencing projects, \$600,000 of debt service support for Nags Head, \$1,490,899 of debt service support for Duck, Kitty Hawk, and Kill Devil Hills, and \$7,416,406 of County debt service payments for debt issued for projects in Buxton, Nags Head, Kill Devil Hills, Kitty Hawk, and Duck.

SANITATION FUND (fund #24)

The Sanitation Fund's property tax rate remains 10.3 cents. 2020 appropriates fund balance of \$364,372 to balance the budget and ending fund balance at June 30, 2019 is projected to be \$2,131,000, or 37% of expenditures. The fund balance is expected to reach around 20% of expenditures at the end of 2022.

Therefore, with the 2023 budget the tax rate will have to be adjusted or significant service level reductions will have to occur.

INLET MAINTENANCE FUND (fund #25)

The Inlet Maintenance Fund continues to provide \$3,000,000 for Oregon Inlet and \$250,000 for Hatteras Inlet for the County share of State dredging projects.

CAPITAL RESERVE FUND (fund #27)

The Capital Reserve Fund is no longer active with the 2020 budget. All activities and accounts are in the Capital Investment Fund.

WATER FUND (funds #36 and #37)

2019 projected results are better than those of 2018 and are slightly better than that projected by the Water Rate Model. 2020 has a 3.0% rate increase per the model and includes \$465,077 of capital outlay. Per State requirements, system development fees, formally called impact fees, are budgeted in a separate Water Capital Reserve Fund (#37).

Future rate increases as projected by the Water Rate Model, are:

INTERNAL SERVICE FUNDS

The County maintains two internal service funds, the Insurance Fund and the Fleet Maintenance Fund, and adopts financial plans for each.

INSURANCE FUND (fund #45)

The Insurance Fund is projected to end 2019 with revenues greater than expenditures of approximately \$1,000,000. That result continues the fund's recovery from significant losses in 2008, 2009, and 2013, and ending fund balance at June 30, 2019 is projected to be just over that \$1,000,000. As discussed under the General Fund, the Health Plan has no projected increase for 2020.

FLEET MAINTENANCE FUND (fund #46)

2020 includes \$66,000 for a replacement vehicle tire service truck.

CONCLUSION

The Board is requested to hold a public hearing on the budget during the Board meeting on June 3. The Board may schedule additional workshops or may adopt the budget at any time after the public hearing. I thank the Board for providing valuable direction to staff in the development of the recommended budget. I appreciate our leadership team of director and department heads in preparing their requested budgets.

Respectfully submitted,

Robert L. Outten, County Manager

\$	24,477,788	for local current expense
	300,000	for local capital outlay

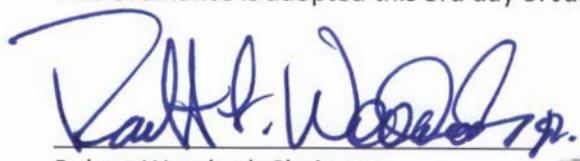

Appropriations for the Dare County Board of Education firstly are made from revenue sources that are restricted to the use of the school system and secondly are made from other revenues. Local capital outlay for the Dare County Board of Education will be distributed in the first month of the fiscal year. Any additional local capital outlay identified and funded in the capital improvements plan will be paid directly to vendors and contractors by the county upon presentation of approved invoices from the board of education as well as any additional documentation determined necessary by the county Finance Director.

Section 22. Appropriations transferred from the Restricted ABC Revenue fund to the General fund will be used for child and family services.

Section 23. Copies of the 2019-2020 Budget as provided herein have remained open for public inspection and have been furnished to the Budget Officer (County Manager), Finance Officer and Clerk to the Board of Commissioners as required by the laws of the State of North Carolina.

Section 24. There will usually be differences between the forecasted and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

FUND STRUCTURE

The Dare County operating budget is organized into various funds. A fund is a separate accounting entity, with a self-balancing set of accounts. Within each fund is an organization center that accumulates financial data for its programs and is accountable for related revenues and expenditures.

FUND STRUCTURE – Continued

Below are the funds that reflected in the annual budget:

General Funds

General Fund (10)

This is the primary operating fund of the County. It is used for the majority of current operating expenditures with the exception of those required or chosen to be accounted for in another fund.

Capital Investment Fund (11)

The Capital Investment Fund is a separately budgeted fund of the General Fund. It accounts for revenues committed to or restricted for capital or debt service and the related expenditures.

Disaster Recovery Fund (12)

The Disaster Recovery Fund is a separately budgeted fund of the General Fund. It is used to separate revenues and expenditures related to natural disasters in order to maintain comparability of operating revenues and expenditures in the General Fund.

Law Enforcement Officer's Special Separation Allowance Fund (13)

The LEOSSA Fund is a separately budgeted fund of the General Fund. It is used to account for a state mandated pension plan that is required to be shown in the General Fund for financial reporting purposes.

Special Revenue Funds

These funds budget and account for revenue sources and their uses that are restricted to specific purposes.

E911 Fund (21)

Beach Nourishment Fund (22)

Restricted ABC Revenue Fund (23)

Sanitation Fund (24)

Inlet Maintenance Fund (25)

Donations Fund (26)

Enterprise Funds

These funds budget and account for revenues derived from rates and service fees charged for the related product or service.

Water Fund (36)

Water Capital Reserve Fund (37)

Internal Service Funds

These funds account for services provided to departments on a cost reimbursement basis. These funds are not budgeted and instead adopt a Financial Plan for each fiscal year.
