## County of Dare

P.O. Box 1000 | Manteo, North Carolina 27954 | 252.475.5000

---

May 18, 2020

TO THE DARE COUNTY BOARD OF COMMISSIONERS

I hereby present the recommended Dare County budget for fiscal year (FY) 2020-2021 in the amount of \$159,384,999, with the General Fund at \$107,076,589 of that amount. The budget is balanced and in compliance with the North Carolina Local Government Budget and Fiscal Control Act and is aligned with priorities and direction given by the Board of Commissioners. Note that, the FY2021 and FY2020 General Fund budgets are lower than FY2019 due to implementation of the Capital Investment Fund in FY2020 and that FY2021 is reduced further by the effects of COVID-19.

The FY2021 budget is developed incorporating the expected negative revenue effects from the COVID19 pandemic from business limitations and the resulting economic recession.

The purpose of the County's annual budget process is to develop a fiscally responsible plan that enables the County to accomplish priorities established by the Board. At a prior retreat the Board provided the following strategic focus areas:

- Long Term Financial Planning for Capital
  - Expand capital planning and stabilize available funding through the establishment of a Capital Investment Fund and a long term capital planning and debt affordability model.
- Economic Development
  - Continue Beach Nourishment efforts, address the demand for future projects, and determine additional project prioritization criteria utilizing a rewrite of the beach nourishment and debt affordability model.
  - Continue efforts towards affordable and workforce housing through zoning and planning changes and a project with the Development Finance Initiative of the UNC School of Government.
- Education
  - Continue partnership with Dare County Schools using an agreed upon formula for local current expense and the Capital Investment Fund to adequately address future capital needs.
  - Expand the College of the Albemarle Dare County Campus though a new capital project and the establishment of a local scholarship fund.
- Human Resources
  - Continue to follow the recommendations of the Salary Study which was implemented in 2018 and 2019.

- Maintain all current levels of services.
- Maintain level of property taxes during a revaluation year by using the revenue neutral property rate.
- Maintain an unassigned fund balance in the General Fund of 21% of General Fund (fund #10) revenues.

Notwithstanding the revenue decrease resulting from COVID-19, the FY2021 budget is able to accomplish all but two of the above priorities. After staff discussions, Dare County Schools requested the same level of funding after it was evident that the requirements of the funding formula could not be met.

Recommendations of the 2018 salary study are not met as the budget does not include merit or COLA funds for County employees.

## FISCAL YEAR 2020-2021 BUDGET

The recommended budget includes no property tax increase, preserves high quality service delivery to citizens, property owners, and visitors, and meets as many goals of the Board as funding constrained by the effects of COVID19 allows.

Comparison of the FY2020 and FY2021 totals to those of the prior year must consider the creation of the Capital Investment Fund in 2019 (see *Fund Structure* in the [Information Section](#)). Due to the expected effects on revenues from COVID19 business limitations and the resulting recession, the total budget decreased by 5.59% and the General Fund budget decreased by 1.53%.

The following Table shows the Original 2019 budget, the Original 2020 Budget, the Requested 2021 budget, and the Manager's 2021 budget.

## FISCAL YEAR 2020-2021 GENERAL FUND BUDGET

### REQUESTED BUDGET

After budget requests were submitted by departments and outside agencies, the requested expenditures exceeded projected revenues creating a General Fund budget deficit of \$4,986,343.

Driving factors of the requested deficit were:

- ⊕ Expenditures:
  - A \$1,929,410 or 14% requested increase for Emergency Medical Services.
  - A \$552,022 requested increase by the Health Department
  - A \$404,694 requested increase by the Sheriff Department.
  - A \$372,168 requested increase by Information Technology.
  - A \$218,125 requested increase by Grants & Waterways
  - A \$216,845 requested increase by Social Services administration.
- ⊕ A revenue decrease of \$1,954,218 from FY2020, after adjusting for appropriated fund balance, from the expected effects of the COVID19 pandemic.

### MANAGER'S RECOMMENDED BUDGET

The recommended budget does not include a property tax increase and uses the revenue neutral property tax rate of 40.05 cents, down from 47 cents due to revaluation. The revenue neutral rate is calculated per NCGS 159-11.e and uses an annual growth rate in the tax base since the last revaluation of 1.0767% and a 5% reserve for value reductions from appeals. The Manager's budget reduces the current year collection rate to 98.5% (from 99.51%) due to the expected recession from the effects of the COVID19 pandemic.

Budget requests were submitted at the end of February. After the extent of the COVID19 pandemic effects became clearer, the County Manager instructed department heads resubmit their budget requests to eliminate new requests and make any reductions that would not result in reduced service levels.

Departments reduced new requests by \$3,437,438. The Manager made further reductions to new requests and to existing budgets of \$212,465, and reduced the transfer to the Capital Investment Fund by \$1,947,295.

Increases in budget line items were only for mandated or urgent items, and include:

- \$257,756 for a projected 5% increase for the Health Plan.
- \$208,152 for the Sheriff's Department to correctly classify sworn law enforcement officers per FLSA to a 171 hours per 28 day pay period.
- \$36,000 in Elections for voting equipment rental and replacement of laptops.
- \$55,000 in Information Technology for security services and technology support items.
- \$66,100 in Courts for a security system update and improvements at the Courthouse.

Capital outlays and related changes are included in the Capital Investment Fund as of FY2020. Please see the discussion which follows the General Fund section.

## Revenues

---

### Current Year Revenue Projections:

Prior to the effects of COVID19, the results of 2020 to date were similar to 2019. Current year property tax collections are up to a 99.5% collection rate. Through January, the local (A39) sales tax was up 5.55% and the State-wide (A40) sales tax was up 7.87%. Occupancy tax through February was up 2.78% even with the effects of Hurricane Dorian. Through the end of March, Register of Deeds revenues were up 14.32% and land transfer tax (Capital Investment Fund) was up 13.75%.

The worst revenue effects from COVID19 are expected in 2020, especially with April and May results.

- The local (A39 & A42) sales taxes are estimated to end \$1,007,000 less than 2019, a 7% annual decrease after a June quarter decrease of 30%.
- The State-wide (A40) sales tax is estimated to end \$64,000 less than 2019, a 3% annual decrease after a June quarter decrease of 25%.
- Occupancy tax is estimated to end \$1,005,000 less than 2019, a 20% annual decrease.
- Land transfer tax (Capital Investment Fund) is estimated to end \$198,000 less than 2019, a 4% annual decrease.

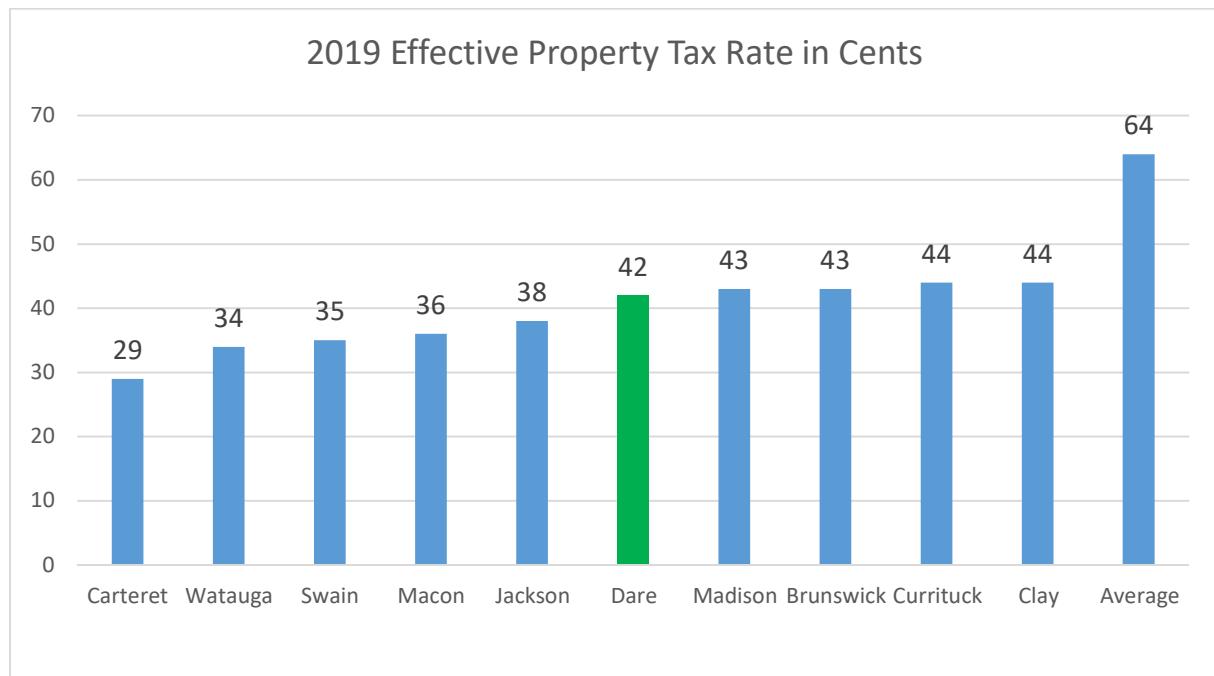

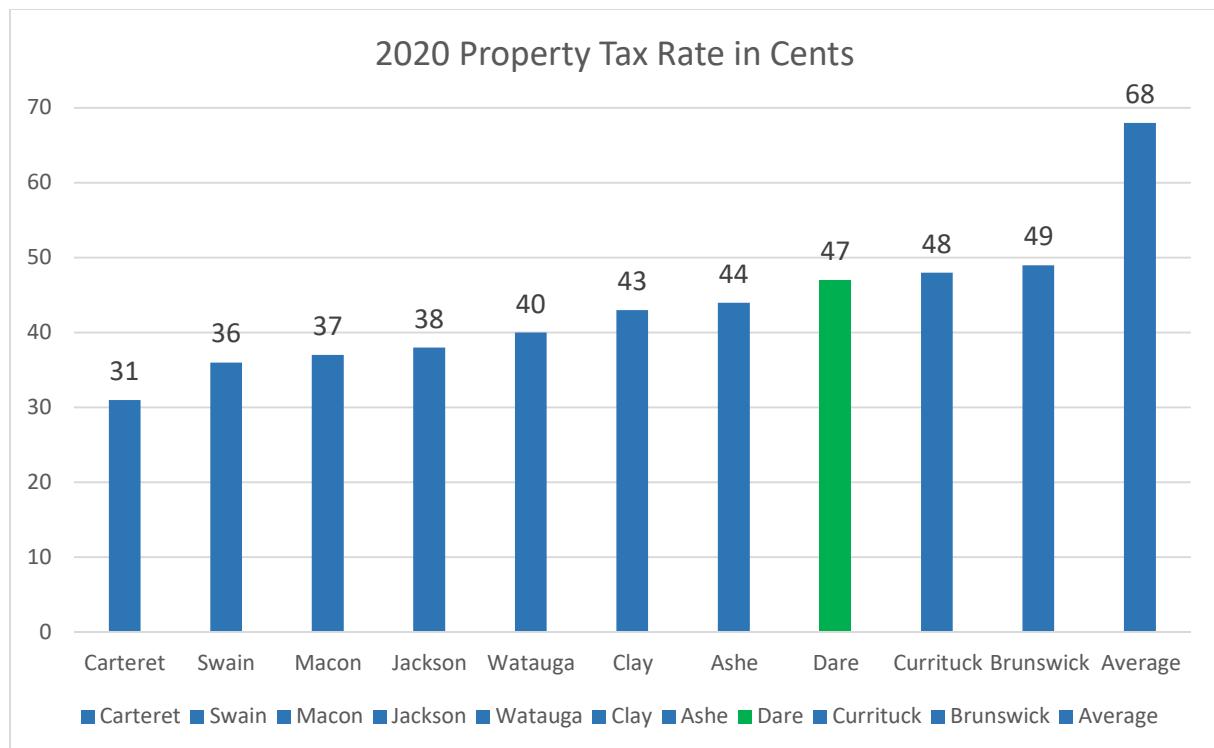

The receipt of federal grants for COVID19 will assist with 2020 and 2021. To date, the County has received a \$67,354 CDC grant for Health Department costs, a CARES Act Medicare Provider grant of \$235,986 for lost revenues and costs, and a COVID19 State Relief Fund (federal funds) grant of \$852,149 for costs through December 30. Additional grants for Medicare Providers and Transportation are expected.

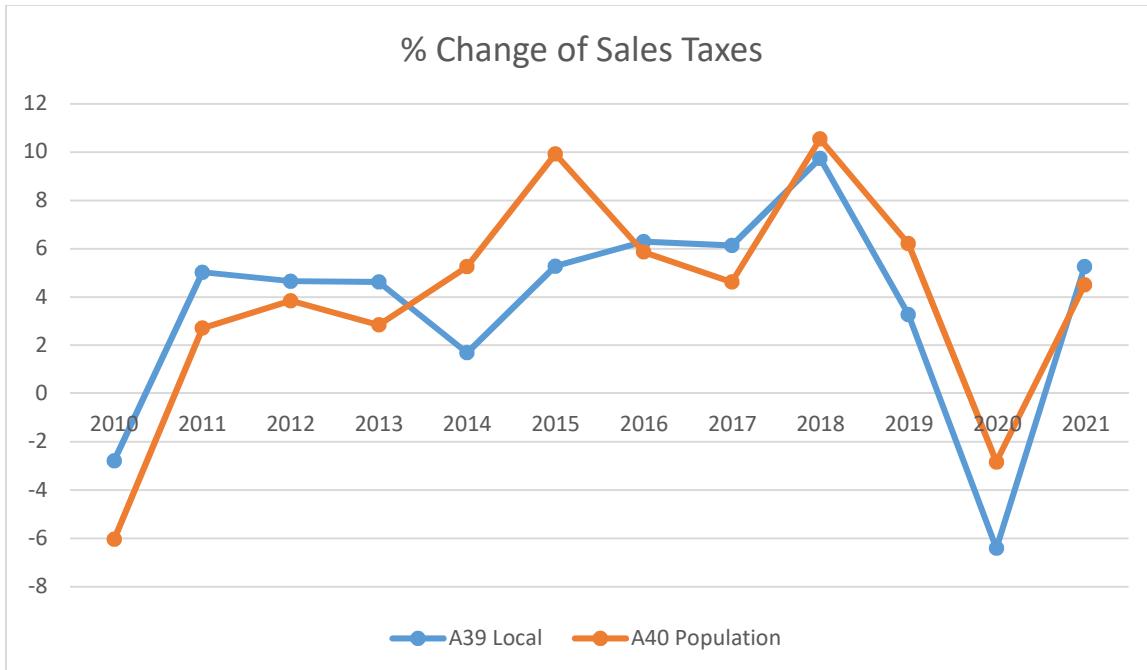

### Revenue Assumptions for 2021

- *Property Tax:* The tax base was revalued as of 1/1/2020 and increased to a taxable value of \$16.147 billion. Projected revenue is \$63,702,983 using the revenue neutral rate of 40.05 cents and a reduced collection rate of 98.5%.
- *Sales Taxes:* The local (A39 & 42) taxes are projected with a 10% decrease for the September quarter, a 2.5% decrease for the December quarter, and a 1% decrease thereafter. The State-wide (A40) tax is projected at the same except for the September quarter at a 9% decrease.
- *Occupancy Tax:* Decreases for the key seasonal months of July, August, and September are projected at 30%, 20%, and 10% respectively.

The average county property tax rate in North Carolina for 2019 (latest available) was 67.35 cents with a low of 31 cents and a high of \$1.00. Dare County, at 47 cents, was the 8th lowest property tax rate. The effective tax rate is adjusted for the sales to assessment ratio for each County. Dare's effective tax rate for 2019 was 41.80 cents, which ranked as the 6th lowest. The average was 64.34 cents with a low of 29.05 cents and a high of \$1.0442.

Dare County's revenue neutral rate for 2021 of 40.05 cents would be the fifth lowest rate of the 2020 tax rates.

#### Fund Balance Appropriation and Projected Fund Balance

2021 appropriated fund balance of \$2,992,000 is within the Board adopted policy of 3% or less of expenditures.

2019 fund balance ended the year at a total of \$40,617,000. 2019 unassigned fund balance ended the year at \$29,555,668, which was \$5,448,770 over the Board policy of 21% of General Fund (fund #10 only) revenues. During 2020, \$3,437,104 was moved to the Capital Investment Fund, \$413,437 was moved to the Disaster Recovery Fund, and \$200,565 was moved to the Capital Projects Fund. The unassigned fund balance remaining was \$22.22% of revenues, or \$1,397,673 over the target policy of 21%. Of that amount, \$589,000 is projected to be used during 2020, leaving \$808,000 for use in 2021 which equals the increase in appropriated fund balance from 2020 to 2021. If projections are correct, ending unassigned fund balance at the end of 2021 will be approximately 21% of revenues.

#### Expenditures

##### Personnel

##### Health Plan

The Health Plan has a 5% projected increase for 2021 at a cost of \$257,756. The County continues to promote its wellness program and has expanded hours and coverage for its partnership with the Outer Banks Hospital for the employee Wellness and Health Clinic.

No changes are made to the Health Plan structure, co-pays and deductibles. Employees will continue to have dual plan options, choosing between the traditional plan or a high deductible Health Savings Account Plan with the first \$750 of costs funded by the plan.

### Position Changes

There are no new positions in the 2021 recommended budget. (See *Position Changes* in the [Information Section](#) for all position changes.)

### Employee Compensation

The Board implemented a Salary Study prepared by Springstead during 2018 and 2019. 2020 continued the recommendations of that study by including merit pay a cost of living pay adjustment. Due to the economic effects of COVID19, no merit pay and no cost of living adjustment is included in the 2021 recommended budget.

### Capital

Of the \$2,124,815 requested capital outlay, \$22,000 is recommended for network intrusion software for Information Technology. (See *Capital Outlay* in the [Information Section](#).)

### Insurance

Decreases of \$168,543 across applicable departments for various insurance policy rate decreases are included.

### Dare County Schools

Funding of the schools local current expense budget remained, without cuts from 2020 levels, but includes no increase in funding to the Board of Education. Once the economic effects of COVID19 became evident and after staff discussions, Dare County Schools requested the same amount of funding as for 2020. Using the school funding formula agreed upon in 2016 would have resulted in an increase of \$653,470.

Local funding for school operating costs remains at \$24,476,088, which is composed of:

- \$23,230,449 for local current expense; and
- \$1,245,639 for County-employed school nurses and school resource officers.

Pupil enrollments and projections are:

NCDPI projection for fall of 2019	5,172
Actual ADM for fall of 2019	5,278
NCDPI projection for fall of 2020	5,296

For the last eleven years, 2011 through 2021, local current expense funding, excluding school nurses and resource officers and the five year annual deferred maintenance funding in 2015 through 2019, has increased 23.08%, from \$18,873,220 to \$23,230,449. Over the same period, pupils have increased 9.46%, from 4,838 to 5,296.

Departments

Elections

\$14,000 is included for voting equipment rental and \$22,000 is included for the replacement of laptops.

Information Technology

\$25,000 is included for additional network security services and training, \$15,000 is included for additional Alertus software related equipment for staff security, and \$15,000 is included for additional software and device maintenance costs.

Sheriff

\$208,152 is included to correctly classify sworn law enforcement officers per FLSA to a 171 hours per 28 day per period.

College of the Albemarle

The budget maintains \$250,000 for local scholarships to the College of the Albemarle that maintains a Board priority. The scholarships are for Dare County graduating seniors who wish to attend the College of the Albemarle.

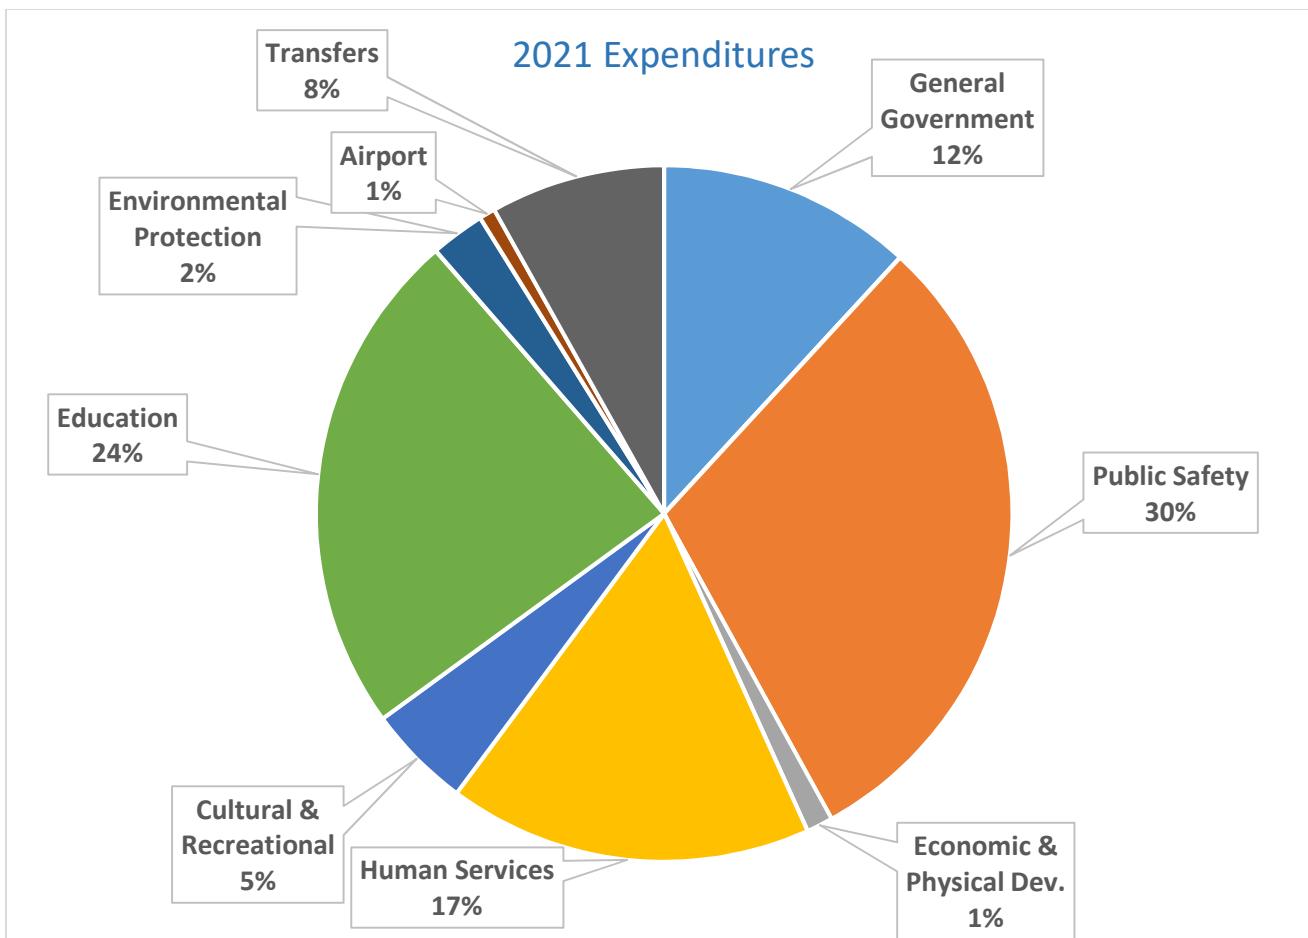

Courts

\$66,100 is included for a security system update and security improvements at the Courthouse.

Transfers to Other Funds

\$210,000 of funds is maintained to be transferred to the Inlet Maintenance Fund for Hatteras Inlet. This will maintain the annual amount available for the County share of work performed at \$250,000.

Reductions to capital outlays have been previously discussed. Similar reductions to the capital improvements plan have been made in order to allow for a temporary reduction of the transfer from the General Fund to the Capital Investment Fund from \$10,426,273 to \$8,478,978.

## CAPITAL INVESTMENT FUND AND CAPITAL IMPROVEMENTS PLAN

The recommended 2020 budget included a significant change in budget structure by implementing a Capital Investment Fund. The Capital Investment Fund is a separately budgeted part of the General Fund. For financial reporting purposes the Capital Investment Fund is consolidated into the General Fund in the CAFR/Audit report along with the Disaster Recovery and LEOSSA Funds. See *Fund Structure* in the [Information Section](#) for a further explanation of fund organization. In conjunction with the establishment of the Capital Investment Fund, the County and its financial advisor, DEC Associates, developed a Capital Planning & Debt Affordability Model.

Use of a Capital Investment Fund separates budgeting for operations from that for capital. With 2020, the General Fund (fund #10) budgeted for operations and the Capital Investment Fund (fund #11) budgeted for debt service, capital outlay, and the County's Capital Improvements Plan.

The General Fund's contribution to the Capital Investment Fund was set at the 2019 net General Fund cost for debt service and capital outlays of \$10,426,273 and was reduced to \$8,478,978 for 2021.

Model development was completed and approved by the Board along with the 2020 Capital Improvements Plan (CIP). The model also includes plans for major items: roof replacements, heating and air conditioning replacements, major equipment replacements, and major maintenance for the Dare Medflight Airbus helicopter.

## 2021 THROUGH 2025 CAPITAL IMPROVEMENTS PLAN

The 2021 through 2025 recommended CIP is shown in the *Capital Improvements Plan* in the [Information Section](#).

Due to revenue expected reductions from the land transfer tax and the restricted portions of sales taxes, 2021 projects are recommended at bare minimums and 2022 projects are at approximately 75% of what would be considered to be a normal year. The CIP and the Debt Affordability Model were updated to maintain the Board priority of committed and started projects to be included in the planned Series 2020B limited obligation bonds: College of the Albemarle, Department of Health and Human Services, and a new Animal Shelter for which construction has begun.

The limited funding and projects recommended for 2021 are:

- \$150,000 for local capital outlay for Dare County Schools.
- \$145,000 for the Dare County Schools CIP for a HVAC chiller replacement.
- \$22,000 of capital outlay for Information Technology.
- \$257,282 for the County CIP, consisting of \$196,632 for construction and repairs to the Solid Waste Transfer Station, and \$60,650 to rebuild a sewer lift station at the College of the Albemarle.
- \$9,579 for a County HVAC replacement.

It is also recommended that \$1,000,000 be added to the planned 2020B LOBs debt issuance for a Dare County Schools roof replacement at Manteo High School. The sections of roof to be replaced were last done so in 1988 and 1998 and are in dire need of work.

The CIP moves the planned 2022 debt issuance for EMS facilities to 2023, and moves the planned 2024 debt issuance for a new Public Works facility to 2025.

The Board has approved a policy for the Capital Investments Fund and Debt Affordability Model of maintaining an ending fund balance of not less than 0.33 times annual debt service with a target of 0.50 times. The recommended 2021-2025 CIP is projected to result in the following coverages, annual debt service, and ending fund balances:

	2021	2022	2023	2024	2025
<b>Annual debt service</b>	\$15,760,561	\$13,591,324	\$14,633,299	\$13,896,197	\$13,968,788
<b>Ending fund balance</b>	\$5,032,246	\$6,770,889	\$7,335,833	\$7,876,047	\$8,396,804
<b>Coverage</b>	0.32	0.50	0.50	0.57	0.60

## **OTHER FUNDS**

### **DISASTER RECOVERY FUND (fund #12)**

Beginning with 2020, the Disaster Recovery Fund is a separately budgeted part of the General Fund. It budgets for software disaster recovery services and \$100,000 for the initial responses to any emergency. During 2020, \$413,437 was transferred from the General Fund to meet the Board's new policy of an ending Disaster Recovery total fund balance of 1% of the General Fund (fund #10) budget.

### **E911 FUND (fund #21)**

NC E911 Board funding will restart with 2021 after a State mandated reduction of fund balance in 2020.

### **BEACH NOURISHMENT FUND (fund #22)**

The Beach Nourishment Fund budget is set per the Beach Nourishment Financial Model. 2021 includes \$144,000 for sand fencing projects, \$600,000 of debt service support for Nags Head (when combined with remaining amounts from the related capital project budget), \$1,430,899 of debt service support for Duck, Kitty Hawk, and Kill Devil Hills, and \$7,284,842 of County debt service payments for debt issued for projects in Buxton, Nags Head, Kill Devil Hills, Kitty Hawk, and Duck.

### **SANITATION FUND (fund #24)**

The Sanitation Fund's property tax rate is set at the revenue neutral rate 8.86 cents. 2021 appropriates fund balance of \$185,299 to balance the budget and ending fund balance at June 30, 2020 is projected to be \$2,002,307, or 36% of expenditures. The fund balance is expected to reach around 20% of expenditures at the end of 2023. Therefore, with the 2024 budget the tax rate will have to be adjusted or significant service level reductions will have to occur.

### **WATER FUND (funds #36 and #37)**

The Water Rate Model update for 2021 has not been completed while the effects of COVID19 are being determined and incorporated. 2021 will have no rate increase after a 5.0% rate increase for 2020. Per State requirements, system development fees, formally called impact fees, are budgeted in a separate Water Capital Reserve Fund (fund #37).

## **INTERNAL SERVICE FUNDS**

The County maintains two internal service funds, the Insurance Fund and the Fleet Maintenance Fund, and adopts financial plans for each.

#### **INSURANCE FUND (fund #45)**

The Insurance Fund is projected to end 2020 with revenues greater than expenditures. That result continues the fund's recovery from significant losses in 2008, 2009, and 2013. As discussed under the General Fund, the Health Plan has a projected increase for 2021 of 5%.

#### **FLEET MAINTENANCE FUND (fund #46)**

2021 includes a \$6,000 capital outlay for an air conditioning service machine.

#### **CONCLUSION**

The Board is requested to hold a public hearing on the budget during the Board meeting on June 1. The Board may schedule additional workshops or may adopt the budget at any time after the public hearing. The budget and revenue performance will be re-examined at mid-year. If revenue performance is better than projected, the possibility of accomplishing some of the requested but not funded items will be presented to the Board for consideration.

I thank the Board for providing valuable direction to staff in the development of this difficult recommended budget. I appreciate our leadership team of director and department heads in preparing their requested and revised budgets.

Respectfully submitted,

Robert L. Outten, County Manager

## FUND STRUCTURE

The Dare County operating budget is organized into various funds. A fund is a separate accounting entity, with a self-balancing set of accounts. Within each fund is an organization center that accumulates financial data for its programs and is accountable for related revenues and expenditures.

# Fund Categories

## FUND STRUCTURE – Continued

Below are the funds that reflected in the annual budget:

### General Funds

---

#### General Fund (10)

This is the primary operating fund of the County. It is used for the majority of current operating expenditures with the exception of those required or chosen to be accounted for in another fund.

#### Capital Investment Fund (11)

The Capital Investment Fund is a separately budgeted fund of the General Fund. It accounts for revenues committed to or restricted for capital or debt service and the related expenditures.

#### Disaster Recovery Fund (12)

The Disaster Recovery Fund is a separately budgeted fund of the General Fund. It is used to separate revenues and expenditures related to natural disasters in order to maintain comparability of operating revenues and expenditures in the General Fund.

#### Law Enforcement Officer's Special Separation Allowance Fund (13)

The LEOSSA Fund is a separately budgeted fund of the General Fund. It is used to account for a state mandated pension plan that is required to be shown in the General Fund for financial reporting purposes.

### Special Revenue Funds

---

These funds budget and account for revenue sources and their uses that are restricted to specific purposes.

C&D Landfill Fund (20)

E911 Fund (21)

Beach Nourishment Fund (22)

Restricted ABC Revenue Fund (23)

Sanitation Fund (24)

Inlet Maintenance Fund (25)
