COUNTY OF DARE

P.O. Box 1000, Manteo, North Carolina 27954

May 2, 2016

The Board of County Commissioners
Citizens of Dare County
Dare County, North Carolina

I submit to you the Manager's Recommended Budget for the fiscal year to end June 30, 2017, as required by NCGS 159-11(b). The budget has been prepared in accordance with the North Carolina Local Government and Fiscal Control Act and General Statute 153A-82. With the 2016 budget, the Board returned to a biennial budget process and this is an update of the Planned Budget for fiscal 2017 from last year.

Fiscal year ("FY") 2017 is expected to continue to reflect an improved economy with all revenues back to or above the pre-recession levels of fiscal year 2007. Expenditures are pressured by pre-65 retiree medical costs and the need to replenish the fund balance of the Insurance (Internal Service) Fund and to increase that of the General Fund.

Budget Summary

The total budget for FY 2017 is \$140,443,267 and the General Fund budget for FY 2017 is \$104,202,977. The FY 2017 budget is 9.38% less than FY 2016 and the General Fund budget is 2.18% more than FY 2016. The large decrease in the total budget is due to the Beach Nourishment Fund. Without the beach nourishment budget changes, the total budget is 1.79% greater than FY 2016.

General Fund estimated revenues (requested) were 1.31% more than the prior year's budget and new requests were 3.38% of the prior year's budget, resulting in a requested deficit of 2.07% or \$2,113,132.

General Fund Budget Summary

General Fund requests were \$2,113,132 more than the amount available prior to the final Health Insurance renewal projection. That projection, along with an increase in employer's retirement contributions, increased the Manager's budget over the requested by \$1,385,160. The Manager's General Fund budget is \$104,202,977, 2.18% or \$2,224,357 more than FY 2016. Without four items, the recommended allowance for a salary study implementation, the health and retirement increases above, and the recommended increase in local current expense to the Board of Education, the rest of the budget decreased by 0.33% or \$341,199.

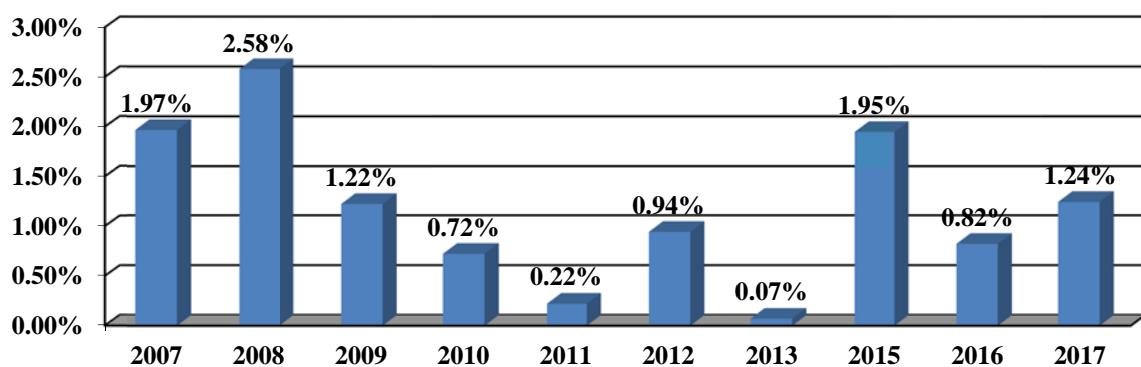

Property Tax Rate and Base

The Manager's budget for FY 2017 maintains the property tax rate at \$0.43 per \$100 of valuation.

The County's taxable property valuation is estimated to be \$13.065 billion, reflecting growth in the tax base of \$160 million or 1.24% over the prior year.

Tax base growth of 1.24% generates \$732,851 of additional revenue and is higher than growth rates experienced in FY 2009 through FY 2013. The chart below shows percentage growth in the tax base over the last ten years, excluding FY 2014, which was a revaluation year.

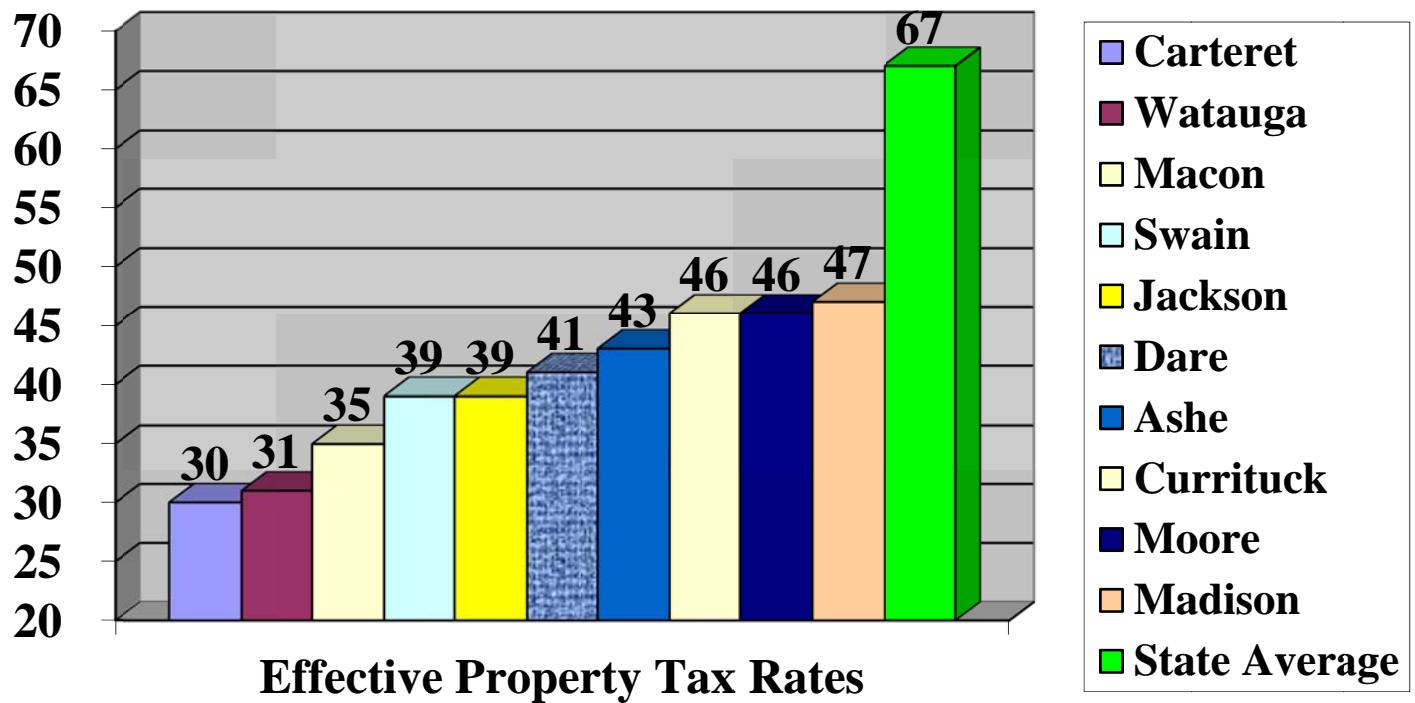

% Growth of Tax Base

The current year collection rate remains very strong, slightly increasing from 99.17% to 99.26%.

The average county property tax rate in North Carolina for FY 2016 was 65.54 cents with a low of 28 cents and a high of \$1.03. Dare County, at 43 cents, was the 7th lowest property tax rate. The Effective Tax Rate is the current rate adjusted for the sales to assessment ratio for each County. That measure equalizes rates for differences in timing of revaluations of property and is based upon a sample of property sales. Dare County's sales to assessment ratio for January of 2016 was 95.17% (tax values averaged 95.17% of sampled actual property sale prices). Dare County's effective tax rate for FY 2016 was 40.4092 cents, which ranked as the 7th lowest in the State. The average was 66.90 cents with a low of 29.99 cents and a high of \$1.0623.

The following graph shows the ten lowest effective tax rates and the average in North Carolina for 2016.

Special District Tax Rates

There were no requests for change to any volunteer fire department, rescue squad or community center tax rates. The Manager's budget ordinance includes a new special district for Buxton Beach Nourishment at a rate of 25 cents.

Budget Initiatives

The goals used in developing the FY 2017 budget were to match Board priorities, to maintain but not expand County service levels, to work within existing revenue sources, and to maintain current department and function budget levels. Board priorities were to provide funds to begin implementation of an in-process salary study, to continue to provide funding for inlet maintenance, to use a new Board of Education funding plan for the second year, to address the fund deficit of the Insurance Fund, and to continue progress in increasing the fund balance of the General Fund.

Maintenance of Board Priorities and Service Levels

- Position changes are as follows and are also shown in the Schedule of Position Changes in the General Information section:
 - Eliminate the part-time Chief Deputy position (#200797) and change to a contracted services task;

 - Eliminate a full-time Community Health Technician position (#200786) in Health;
 - Create a part-time Public Health Nurse position in Health (no benefits);
 - Create a part-time Office Support Specialist position in Health (no benefits);
 - Change a Foreign Language Interpreter position in Social Services from part-time to full-time;

- Eliminate two Sanitation Truck Driver positions (#200655 & #200662).
- Local costs for existing items and programs:
 - A \$431,396 increase in local current expense funding for the Board of Education (\$312,388 over the planned budget);
 - A net increase of \$1,109,104 from a 19.7% increase in projected health insurance costs, mainly from the available levels of certain specific stop-loss policies (\$760,611 over the planned budget);
 - \$243,496 in additional funding for the health insurance fund for pre-65 retirees and the fund deficit, bringing the total from the General Fund to \$1,488,496;

 - \$750,000 for salaries and fringes for the start of implementation of an in-process salary study;
 - \$25,000 for an employee bonus pay plan;
 - An increase of \$25,983 in Medicare supplemental retiree health cost;
 - An increase of \$24,000 in Communications for overtime pay and fringes;
 - An increase of \$6,257 in Co-operative Extension to match an anticipated State employee cost of living pay increase;
 - An increase of \$201,772 in the insurance allocation across all departments (\$143,091 over the planned budget);
 - An increase of \$38,334 in the shop overhead allocation across user departments (\$20,048 over the planned budget);
 - An increase of \$19,500 for Courts and EMS contracted services fees for existing contracts;
 - An increase of \$107,904 in technical support in Social Services for CIP project #2016-12 (document management system), offset by an increase in Social Services grant revenue of \$43,161 and a transfer from the Restricted ABC Revenue Fund of \$64,743;
 - An increase of \$33,000 in Information Technology for a PC virtualization pilot study with a decrease across all departments in PC Leasing of \$114,207;
 - An increase of \$20,000 in Business Personal Tax for a compliance review, offset by an increase in property tax revenue by the same amount;
 - A decrease of \$57,240 for contracted services for substance abuse in the Health Department, reducing the budget to the contract amount;
 - A net increase of \$111,878 in debt service, mainly from the RECC/EOC Building, offset by a transfer from the Capital Reserve Fund of the same amount;
 - A \$15,000 increase in credit card acceptance fees and a \$50,000 new revenue for credit card fees for card presentation transactions to be passed on to the customer; and
 - Capital outlays totaling \$1,323,892, \$385,323 more than FY 2016. \$376,200 of that amount will be funded by grants (see the Capital Outlay schedule in the General Information section for specific items).

New Budget Items

- \$29,300 in Non-departmental for the second half of the Economic Development Study;
- \$322,700 for the cost of three patrol officers in the Sheriff's Department including vehicles and equipment, completely funded by a grant from the Governor's Highway Safety Program (the grant will cover 75% of costs in FY 2018, 50% of costs in FY 2019, and none of the costs in FY 2020); and
- \$19,000 in Human resources for applicant tracking software.

Employees and Employee Compensation

The health insurance plan projected costs increased by 19.7%. The increase is primarily driven by a dramatic increase in the available level of certain specific stop-loss insurance policies. As previously approved by the Board, no changes are made plan structure, co-pays and deductibles. Employees will continue to have dual plan

options, choosing between the traditional plan and a high deductible Health Savings Account Plan with the first \$750 of costs funded by the plan.

\$750,000 is included in the Non-departmental (104490) department for salaries and fringes for the start of implementation of a currently in-process salary study expected to completed in the fall of 2016.

General Fund Revenues

Changes in FY 2017 revenues compared to FY 2016 revenues, by character, are shown in the following table:

	Change from FY 2016
Ad valorem taxes	\$815,826
Other taxes	578,982
Unrestricted intergovernmental	30,250
Restricted intergovernmental	540,892
Restricted intergovernmental-DSS	64,278
Restricted intergovernmental-Health	(10,789)
Permits and fees	127,093
DSS services	820
Health services	(160,993)
Sales and services	95,450
Interest income	70,525
Other revenue	42,377
Other financing sources and uses	29,656
Total increase from FY 2016	\$2,224,367
% increase over FY 2016	2.18%

Ad valorem taxes

Current year property taxes generate an additional \$752,851 of revenue from a 1.24% growth in the property tax base and an increase in the current year collection percentage to 99.26%. The proposed tax rate remains unchanged at 43 cents.

Other taxes

Sales taxes are budgeted at \$320,487 more than the prior year. FY 2015 growth rates were substantial from an improved economy and expansion of the tax base at 5.28% for point of sale (Article 39), 9.93% for population distributed (Article 40), and 6.51% for mixed distribution (Article 42). FY 2016 growth rates are projected to be 6.68% for Article 39, 3.37% for Article 40, and 4.14% for Article 42. Growth rates used for FY 2017 are 3.5% for Article 39, 3.25% for Article 40 and 3.25% for Article 42, except for the month of July which is budgeted at 0.75% growth for the A39 and A42 sales taxes. An increase in revenue for FY 2017 is better than expected as the Towns of Duck, Kitty Hawk and Kill Devil Hills will gain shares of the distribution from FY 2016 property tax levies for beach nourishment.

Occupancy tax is budgeted at \$261,495 more than the prior year at a growth rate of 2.75%.

Unrestricted intergovernmental

Beer and wine tax and ABC revenues and profits increase by a total of \$35,000.

Restricted Intergovernmental, including Social Services and Health

General grant revenues increase by \$540,892. The budget for the Sheriff's Department includes a new \$322,700 grant from the governor highway safety program previously discussed, and Transportation grants increase by \$194,947.

Social Services grant revenues increase by \$64,278 from increases in reimbursable expenditures and Health Department grant revenues decrease by \$10,789.

Permits and Fees

The FY 2017 budget increase of \$127,093 is the result of several changes. Register of Deeds fees increase by \$45,000, environmental fees increase by \$37,000, and building permit fees increase by \$30,450, all from increased activity. Property tax collection fees increase by \$39,750 from additional towns property tax levies for beach nourishment.

Health Services

The decrease of \$160,993 is mainly from a decrease in Medicare revenue for Home Health.

Sales and Services

The increase of \$95,450 is the result of \$95,000 in EMS and HEMS related revenues based upon current year collections, and a \$10,000 increase in Detention Center inmate boarding fees, offset by a decrease in recycling revenue of \$36,000.

Interest Income

Projected interest earnings increased by \$70,525 from the short-term interest rate increase from last December.

Other financing sources and uses

The increase of \$29,656 is from planned an increase in operating transfers for debt service from the Capital Reserve Fund.

General Fund Balance

The maintenance of a certain level of fund balance is a Board adopted policy and has been a significant positive debt ratings factor for the County. Based upon advice of the County's financial advisor, the target goal for the General Fund unassigned fund balance has been set at 19% within a range of 18% to 20% of current year expenditures.

Appropriated fund balance has historically been budgeted at 3% or less of expenditures, as the expenditure budget is a limit not to be exceeded and history has demonstrated 3% to be a conservative estimate. FY 2017 budgets the appropriated fund balance percentage at 1.92% or \$1,999,000. The surplus for FY 2016 is currently projected at \$860,000. After deducting the one-time use of \$1,250,000 from the FY 2015 surplus for Inlet Maintenance, total fund balance at June 30, 2016 is projected to decrease by \$390,000.

Please see the General Fund – Analysis of Fund Balance table in the General Information section of the budget document.

FY 2016 total fund balance is projected to decrease by \$390,000 per above to \$29,204,835 at June 30, 2016. FY 2016 unassigned fund balance is projected to increase by \$613,552 from \$15,741,283 at June 30, 2015 to \$16,354,835 at June 30, 2016, at 17.38% (including disaster recovery reserve) of FY 2016 projected expenditures. The projected level is 1.62% or \$1,065,165 below the 19% target.

Board of Education

The budget includes an increase in local current expense funding to the Board of Education of \$430,396 over the FY 2016 budget. That amount anticipates a 3.0% State cost of living pay increase and is calculated using the school funding formula agreed upon last year. Per that formula, once the State adopts its budget, the local current expense amount will be recalculated and adjusted either up or down.

Local funding for school operating costs increases to \$22,725,113, which is composed of:

- \$21,141,138 for local current expense;
- \$500,000 for deferred maintenance projects, the second year of five years; and
- \$1,083,975 for County-employed school nurses and school resource officers.

Pupil enrollments and projections are:

NCDPI projection for fall of 2015	4,992
Actual ADM fall of 2015	4,979
NCDPI projection for fall of 2016	5,010

As shown in the following table, for the last eleven years, FY 2007 through FY 2017, local current expense funding, excluding school nurses and resource officers and excluding \$500,000 for deferred maintenance projects in FY 2015 through FY 2017, has increased 20.15%, from \$17,595,370 to \$21,141,138. Over the same period, the number of students has increased 2.89%, from 4,869 to the state projection of 5,010 for FY 2017.

(3) Amended

The following graph shows cumulative percentage changes in funding and in pupils 1996 through 2017. It also shows approximate trend lines for changes under the old and current funding formulas.

Local capital outlay for the Board of Education in the General Fund is maintained \$200,000. The Manager has a request for an additional \$727,000 of local capital outlay in the CIP.

Deferred Maintenance

Using Dare County definitions for what is treated as operating, what is treated as operating capital, and what is treated as a CIP item, the FY 2015 Dare County Schools requested CIP included \$2,599,000 of deferred maintenance items that should have been classified as local current expense. Beginning with FY 2015 and continuing for 5 fiscal years, \$500,000 is set aside for the Board of Education to use for deferred maintenance items. The amount is shown in the Board of Education budget, and is separate from and in addition to local current expense and local capital outlay.

Debt

The County's general obligation debt rating was upgraded in February 2016 by Standard & Poor's Ratings Services from AA to AA+. The factors cited for the upgrade were a strong economy, very strong management, very strong budgetary performance and flexibility, very strong liquidity, adequate debt position, and a very strong institutional framework score.

Debt Service in the General Fund:

The County issued \$3,700,000 Series 2015 LOBs in July 2015 for a partial refunding of the Series 2007 COPs.

The County will issue ~\$12,000,000 Series 2016A LOBs in June 2016 for the Regional E911 Center and a partial refunding of the 2007 COPs.

Debt Service in the Beach Nourishment Fund:

The County will issue ~\$25,045,000 Series 2016B LOBs in May 2016 for the Buxton beach nourishment project and for an HVAC Chiller at Hatteras Secondary School. (The school debt service will be in the General Fund.)

The County will issue ~\$10,000,000 Series 2016C LOBs in June 2016 for the Towns' (Duck, Kitty Hawk and Kill Devil Hills) beach nourishment project.

C&D Landfill Fund

Two employees will be transferred from the Sanitation Fund to vacant positions in the C&D Landfill Fund. The vacated positions in the Sanitation Fund will be eliminated.

E911 Fund

The NC E911 Board decreased operating funding by \$27,257 for FY 2017 to \$314,628. That level of funding will require the use of \$137,068 of fund balance for FY 2017. The FY 2017 budget is based upon current operations. Operating costs for the consolidated E911 Center are being compiled and staff will meet with the staff of the E911 Board on funding those costs. After cost and funding determinations have been made, the Board will be asked to amend the budget for the last 2 or 3 months of FY 2017.

Beach Nourishment Fund

The FY 2017 budget reflects continuing sand fencing projects and a \$3,000,000 transfer to the Inlet Maintenance Fund. After debt service amounts are known for the County's debt for Buxton Beach Nourishment and for the County's borrowing for the towns' beach nourishment project, the Board will be asked to amend the budget for those amounts.

Sanitation Fund

The FY 2017 tax rate remains unchanged at 10.3 cents.

Appropriated fund balance for FY 2017 is \$345,339. Projected fund balance at June 30, 2017 is ~\$2,000,000 or a sufficient 36% of expenditures.

The Town of Southern Shores will not renew the collection contract, a revenue loss of \$225,000. To offset, two positions, which will be vacant, will be eliminated and capital outlay will be for one new truck instead of two.

Inlet Maintenance Fund

The FY 2017 funding source is a \$3,000,000 transfer from the Beach Nourishment Fund.

Insurance Fund

The Insurance Fund ended FY 2015 with a profit of \$682,065 and a fund deficit of \$3,849,466, \$1,331,134 of which was the accrual for claims incurred by not reported for the Health Insurance Plan. The FY 2016 budget included an increase of \$300,497 (\$250,000 from the General Fund) specifically for pre-65 retiree costs. FY 2017 increases the additional pre-65 retiree funding by \$238,293 to \$1,745,440 (\$1,488,496 from the General Fund).

FY 2016 is expected to continue to improve the fund deficit with a projected surplus of \$215,000.

Water Fund

The Water Fund maintained debt ratings on its water revenue bonds of AA- from Fitch Ratings (affirmed in May 2015) on the Series 2009 bonds and AA from Standard and Poor's (affirmed in May 2014) on the Series 2009 and Series 2011 bonds.

The Manager's FY 2017 expenditures budget is \$327,312 more than the original FY 2016 budget, after inclusion of the Water Fund's share of all items affecting the General Fund (health insurance, retirement rate increase, and funding to the Insurance Fund) and additional capital outlays.

A water rate structure study with Raftelis Financial Consulting was completed, presented to the Board of Commissioners, and adopted with the FY 2015 budget. While experiencing the national trend of declining per capita water usage, the change in the rate structure enabled the system to increase the amount of fixed revenue from 10.5% of revenue to 21.5% of revenue, which is an amount sufficient to cover debt service.

FY 2017 is the third year of the new rate structure and per the study, a rate increase of 2.0% is included in the budget.

Respectfully submitted,

Robert L. Outten
County Manager

Final Adopted Budget/Addendum to Manager's Recommended Budget

The Board of Commissioners adopted the fiscal year 2017 budget on June 6, 2016, making the following changes to the Manager's recommended budget for the General Fund:

- Increased debt service by \$99,159 for the HVAC chiller replacement at Hatteras Secondary School financed with the Series 2016B LOBs which will close on 1/19/2017, and increased the transfer from the Capital Reserve Fund (revenue) to offset the debt service;
- Increased local current expense to the College of the Albemarle by \$12,000;
- Decreased various insurance and bonds line items by \$144,825 based on the final renewal amounts from the NCACC Insurance Pool;
- Increased the transfer to the Law Enforcement Officers Special Separation Allowance by \$50,000 to a total of \$125,000 based on increased plan payments;
